A photograph of a modern office interior. In the foreground, there is a long, light-colored rectangular table with a dark wood base, surrounded by several office chairs. One chair is white with a mesh backrest and a black base, another is grey with a mesh backrest and a black base, and a third is a light brown fabric chair with wooden legs. There are also some smaller, round side tables. The room has large windows overlooking a street with parked cars and a "NO UNAUTHORIS PARKING" sign. The floor is made of light-colored tiles.
