

A modern office interior with large windows overlooking a city. The room is filled with various indoor plants, including a large green plant in the foreground and a smaller one on a stand to the left. The windows are partially covered by horizontal blinds. The overall atmosphere is bright and professional.

# European Banking Software Company Case Study

# European Banking Software Company

**Client:** European Banking Software Company

**Location:** Paris La Défense, France

**Designer:** Atelier Vitipon

**Dealer:** Steelcase IDF

**Project Management:** Atelier Vitipon

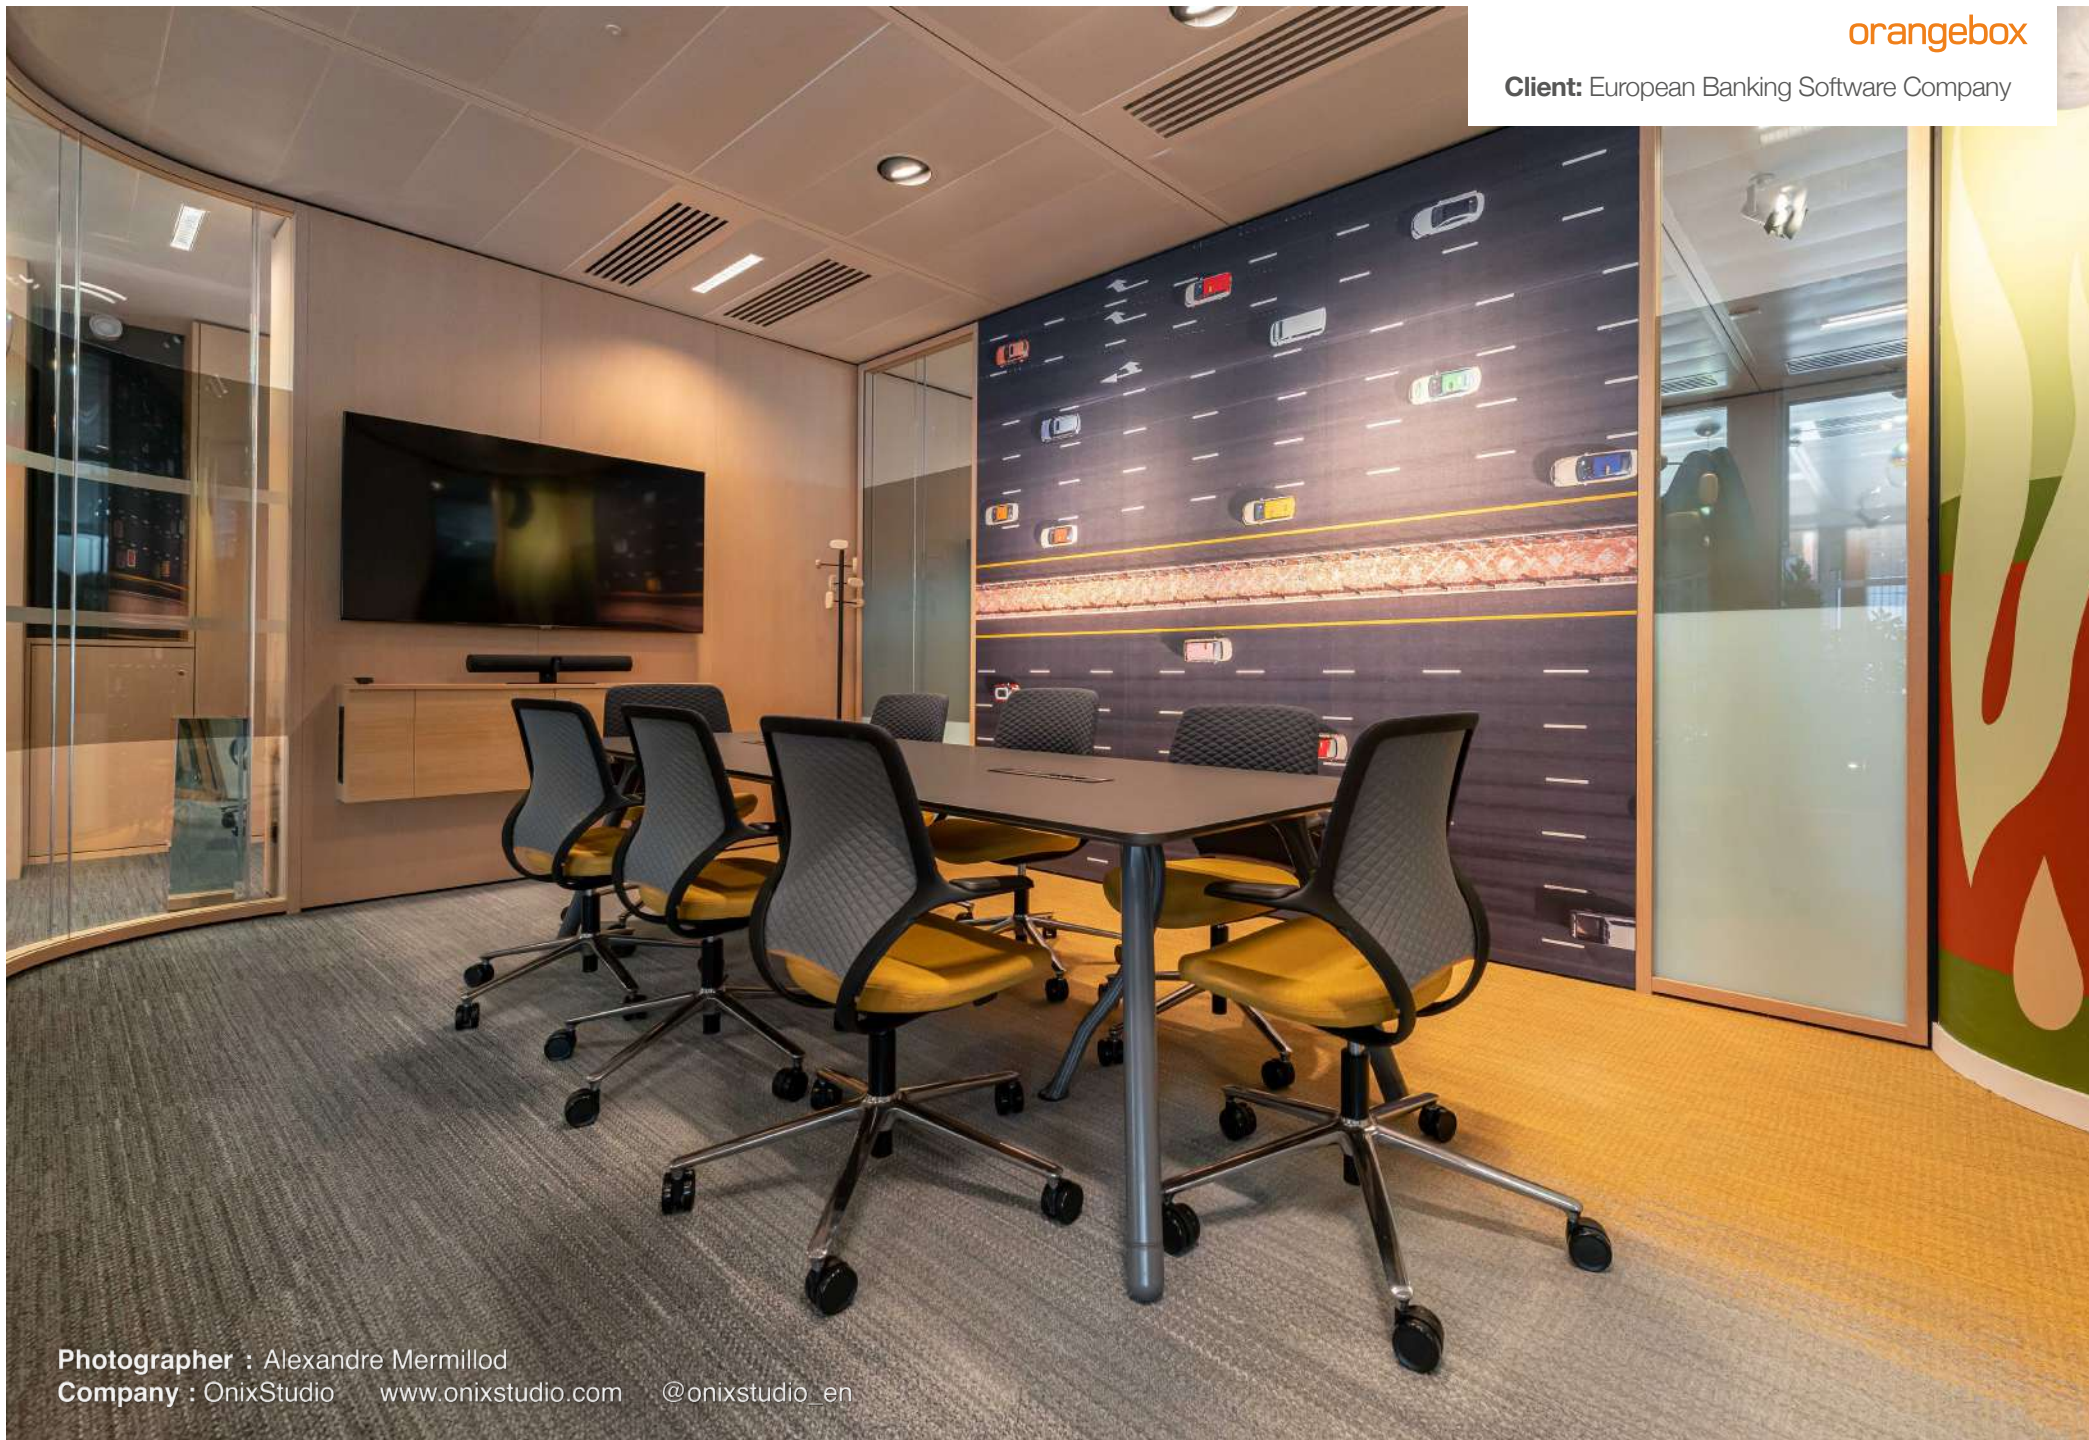

**La Défense Paris is home to some of Europe's most innovative and influential organisations. Hence a natural location for this European Banking Software Company to set-up camp.**

Finding an environment that mirrors a business's values is vital in today's quest for high performing office space and the *Tour Trinity*, where this European Banking Software Company are now based, has been awarded both HQE 'Exceptional' and BREEAM 'Excellent' certification, a sustainably solid place to call home.

At the very core of the workplace strategy is a design that encourages entrepreneurialism. Our European Banking Software Company clients expect class-leading solutions and a workplace that reflects that is pivotal. Orangebox were able to assist in this strategy as the flexible architecture platform, Campers&Dens, immediately provides original design thinking but also real-estate versatility.

Providing ample choice for employees to find the correct level of focus, collaboration or rejuvenation is critical to the success of high-performing workplaces. OnTheQT focus booths, Library tables, AllowMe, Campers&Dens pods and awnings were all deployed to give the European Banking Software Company employees the freedom to exchange ideas and develop skills – all things that are difficult to do whilst working from home.
